

FRONT END DEVELOPMENT

FINAL EVALUATION REPORT

NAME: KANAV KUMAR DEV

ROLL NO: 2010991278

GROUP: G7

BATCH: BE-CSE-2020

TITLE: BEAUTY WORLD

ABSTRACT:

So, before deep diving into the project, "BEAUTY-WORLD", let us understand that what is the motive of this website. So, as name suggests the this website is related to beauty products.

So, yes it is a beauty products website which provides different categories of beauty products all over India. The project is aesthetically rich which gives a first-class user experience. The colour scheme is engaging for it to be attractive to the user.

This website is intended to simplify and enhance the overall shopping experience.

With this website, you can get your favorite products on your doorsteps in just one click.

Easy access to shopping is a trend, especially in cities that do not have large markets

or where it is difficult to buy products locally. Products can be ordered instantly and anytime, anywhere in the world from the Website. We hope that this website will help you make your shopping life more convenient and happier.

Project Features:

- Any computer with an active internet connection can access the web page.
- Newer updates and upgrades are automatic.
- It is easy to understand and use.
